## Cancelation of the 2020 season due to COVID-19

08/07/2020

Dear LTUFC Community,

The VAFA, on 1<sup>st</sup> July 2020, announced that all competition for the 2020 season has been cancelled due to the current COVID-19 pandemic. The Club, while saddened that there will be no Trober footy this year, supports the decision of the VAFA board and look forward to a sustainable competition in 2021 and beyond.

Community health and safety is the priority of all now, including our players, volunteers, officials, and their families. For that reason, we have been strictly following all recommendations with Return to Training (RTT) from the Government and AFL Victoria. Due to further Victorian Government Stage 3 restrictions being announced on 8<sup>th</sup> July 2020 **our decision to cease training until the pre-season** was made straight forward.

The LTUFC Committee would like to thank all our members for their ongoing patience, respect and support throughout these difficult times and encourage everyone to continue to make the community better. We encourage anyone experiencing hardship to use all available resources either from our [A Culture of Respect](#) document or our friends at [OTLR](#) and [Beyond Blue](#).

We hope everyone stays healthy, fit, and connected over the next few months.
