La Trobe University Football Club is seeking applicants for the following coaching position for the 2021 season.

RESERVE MEN'S COACH
THIRDS MEN'S COACH

Based on-campus at La Trobe University in the newly developed Sports Park, the club had a big year in 2019 and look to continue that momentum into 2021. We are a club with a young and vibrant Committee that drives an inclusive, safe, and enjoyable environment for all members of our community. Our men have a maturing list, building in experience as a group over the past few seasons.

LTUFC is seeking a motivated coach with an emphasis on the following traits:

- AFL Level 1 Coaching Accreditation (or willing to obtain).
 - A strong understanding of the modern game.
- A willingness to develop and positively motivate all club footballers.
 - A passion for teaching and developing young men.
 - Strong communication skills.
- A willingness to work with the club committee and club coaches.
 - Potential to recruit players to the club.
- Commitment to the development of players skills and general football ability.
 - Willingness to implement overall club goals and vision.
- Commitment to uphold the club's reputation as an inclusive, safe, and enjoyable place for young men and women to socialise and exercise through participation in community football.

The Club has high expectations for its future and is looking to develop a strong partnership with the Men's and Women's coaching staff to grow as a club.

Please send all applications via email to Men's Football Operations Manager, Josh Rogerson (mensfootballoperations@ltufc.org), by Monday 23rd November 2020.

Successful applicants will be contacted for an interview.
